**Introduction**

Cornell offers a wide variety of benefits and programs to contract college faculty and staff during their employment at the university. While some of these benefits will be discontinued upon retirement, others will continue throughout the retirement years.

The information in this brochure has been prepared for you, a contract college faculty or staff member, to assist in your planning for retirement. It describes the benefits that are available to you when you retire and answers some of the questions you may have about your future relationship with Cornell.

There is no mandatory age for retirement for Cornell faculty or staff. To receive certain benefits, however, you must be at least age 55 and have at least 10 years of credited service at the university. An employee who meets the requirements to retire under any New York State early retirement incentive program adopted by Cornell and who elects to retire under this program will be considered a Cornell retiree.

**Before You Retire**

You need to notify your department in writing at least 21 days in advance of your anticipated retirement date. You need to contact the Division of Human Resources at least 45 days ahead of your retirement date. This advance notice allows your department time to adequately address succession planning. It’s not easy to replace long-term employees! When you retire, your department will process your retirement status, including accrued vacation days and sick leave. It is important that you confirm this information with your department.

**Unused Vacation and Sick Days**

Staff will be reimbursed for unused vacation days, not to exceed 30 days. Sick leave will be turned into a credit against future premiums for your contract college retiree health care plan, as described below.

**Beneficiaries**

You should keep the listing of your beneficiaries for your life and personal accident insurances and retirement fund accounts up-to-date. This information is highly confidential. Only you can check to see who is listed as your beneficiary and only you can change your beneficiary. Contact CIGNA Group Insurance at (800) 231-1193 to check your life insurance and personal accident insurance beneficiaries. Contact the investment vendors to check your retirement plan beneficiaries: TIAA-CREF (800) 842-2776; Fidelity (800) 343-0860; ING (800) 677-4636; VALIC (800) 448-2542; MetLife (800) 560-5001; NYSERS (866) 805-0990.

**Benefit Plans and Policies after Retirement**

**Health**

**Health Insurance Eligibility:**
Contract college employees must satisfy three eligibility requirements in order to continue health insurance benefits as a retiree.

1. You must have had at least ten years of state service, or ten years combined service with the state and one or more Participating Agencies. The Participating Agency must have been a part of NYSHIP (New York State Health Insurance Program) at the time of your employment. Cornell University is a participating Agency.

2. You must be qualified for retirement as a member of a retirement system administered by New York State. If you are not a member of a retirement system administered by New York State, you must satisfy one of the following conditions: you must meet the Employee Retirement Systems tier age requirement in effect at the time you last entered state service or you must be qualified to receive Social Security disability payments.
3. You must be enrolled in NYSHIP either as an enrollee or a dependent at the time of your retirement. Your health insurance continues in the same plan as an active faculty or staff member. This is converted to a monthly figure and is further reduced by unused sick leave credit.

Contract college employees who have not met the 10 years of service requirement to be eligible for NYSHIP as a contract college retiree may be eligible for the Endowed health plan in retirement. In order to be eligible for the Endowed health insurance plan as a Cornell retiree, you must have worked in a benefits eligible position at the University for at least 10 years and be age 55 or older. In other words, any combination of benefits eligible service in an endowed unit, a contract college unit or a unit of the Weill Cornell Medical College may fulfill the 10-year service requirement in the Endowed health plan. You may be required to show proof of a denial of eligibility from the NYS Department of Civil Service.

**Sick Leave Conversion Program**
Contract college faculty and staff receive credit for unused sick leave when they retire. A maximum of 200 days can be used. This program allows eligible contract college retirees to convert unused sick leave into a dollar credit.

**Estimate of Sick Leave Credit**

1. Determine hours worked in a day: Divide the number of hours in a workweek by 5.

2. Determine HRP (Hourly Rate of Pay): Divide your annual salary at the time of retirement by one of the following: 2088 for jobs that are 8 hours a day; 2035.8 for jobs that are 7.8 hours a day; 1957 for jobs that are 7 1/2 hours a day; 1827 for jobs that are 7 hours a day; and 1044 for jobs that are 4 hours a day.

3. Determine the total dollar value of your sick leave: Multiply your hourly rate of pay by the number of sick leave hours you have accumulated up to a maximum of 1600 hours (200 days @ 8 hours per day).

4. Determine your monthly credit: Divide the total dollar value of your sick leave by your life expectancy from the following table:

**Hypothetical Example**

Faculty member retires at age 65. Salary at the time of retirement is $60,000.

1. Hours worked in a day: 40/5 = 8
2. Determine Hourly Rate of Pay: $60,000/2088 = $28.73
3. Determine total dollar value of sick leave: $28.73 x 1320 hours = $37,923.60
4. Determine your monthly credit: $37,923.60/241 = $157.36
5. Monthly credit amount will be deducted from the amount that you owe for health insurance, if any.

Approximately three months after your retirement date, the New York State Department of Civil Service will send you a letter verifying the amount of the credit. It will also confirm the amount of health insurance owed, if any.

**Dual Annuitant Sick Leave**
The Dual Annuitant Sick Leave Credit allows you to specify that you want your dependent survivors to be able to use your monthly sick leave credit toward their NYSHIP premium if you die. If you want this option, you must choose it before your last day on the payroll by completing the Dual Annuitant Form and submitting it to Benefit Services.

If you choose the Dual Annuitant Sick Leave Credit, you will use 70% of your sick leave credit towards your premium for as long as you live. Your eligible dependents who outlive you may continue to use 70% of the monthly credit for their NYSHIP premium. Please refer to the previous example. If the Dual Annuitant Credit was selected prior to retirement, the amount of the sick leave credit would be $110.15 (70% of $157.36).

If you do not indicate a choice before your retirement, all of your sick leave credit (up to a maximum of 200 days) will be applied to your...
premium automatically. No sick leave credit will be applied to your dependent survivors’ coverage. (The credit cannot be applied toward a COBRA premium or conversion contract.) Once a choice has been made, it cannot be changed.

**Retiring Under Age 65**

If you are under age 65 when you retire, your health insurance continues in the same plan, either with the Empire Plan or with an HMO that services the area in which you live. If your dependent spouse/domestic partner is age 65 or turns 65 after your retirement, he/she should contact Social Security Administration to enroll in Medicare Parts A and B. As Medicare eligible dependents, they will also be automatically enrolled in the Empire Plan Medicare RX provided they are enrolled in Medicare Parts A and B. They will receive their own personal Empire Plan Medicare RX ID card with a unique identification number to be used only when purchasing prescription drugs. Non-Medicare primary dependents will continue to use the Empire Plan benefit card for prescription drug benefits, as well as medical/surgical, hospital, and mental health and substance abuse. For more information concerning the Empire Medicare RX plan, call the Empire Plan, 1-877-7NYSHIP (1-877-769-7447), and listen to the prompts for Empire Plan Medicare RX.

**Retiring At Age 65**

If you or your dependent spouse/domestic partner is age 65 or over at the time of your retirement, or turn age 65 after your retirement, be sure to contact the Social Security Administration three months prior to let them know that you are retiring. They will assist you and/or your spouse/domestic partner in enrolling in Medicare Parts A and B. Medicare Part A is at no cost, but Medicare Part B does require a premium, and higher income beneficiaries will pay more.

It is important that you enroll in Medicare Parts A and B three months prior to eligibility to insure that you continue to receive complete health insurance under NYSHIP. Medicare will become your primary insurer and NYSHIP your secondary insurer. Medical claims are filed first with Medicare and then with NYSHIP.

The Empire Plan will automatically enroll Medicare primary enrollees and Medicare primary dependents in the Empire Plan Medicare RX provided they are enrolled in Medicare Parts A and B. The Empire Plan Medicare RX (PDP) for Medicare primary enrollees and Medicare primary dependents combines Medicare Part D prescription drug benefits with supplemental prescription drug coverage. They will receive their own personal Empire Plan Medicare RX ID card with a unique identification number to be used only when purchasing prescription drugs. You will continue to use the blue Empire Plan benefit card for medical/surgical, hospital, and mental health and substance abuse services. If you are covering Non-Medicare primary enrollees and dependents, they will continue to be covered for prescription drugs under The Empire Plan Prescription Drug Program. Non-
Medicare primary dependents will continue to use the blue Empire Plan benefit card for prescription drug benefits, as well as medical/surgical, hospital, and mental health and substance abuse. For more information concerning the Empire Medicare RX plan, call the Empire Plan, 1-877-7-NYSHIP (1-877-769-7447), and listen to the prompts for Empire Plan Medicare RX.

If you are retired and you or your covered dependent will turn age 65 soon, you should contact the Social Security Administration to register for Medicare. You can reach the Social Security office by calling (800) 772-1213, or use their local number in the Ithaca area, (866) 706-8289.

Retirees eligible to continue health insurance in retirement also receive a great financial benefit to offset the cost of Medicare Part B. The state will reimburse you an amount equal to the usual cost of Medicare Part B coverage when Medicare becomes your primary coverage unless you are receiving reimbursement from another source. If you have family coverage, you will also be reimbursed for your Medicare-eligible dependents. If you or your eligible dependents do not apply for Medicare when eligible, your benefits in the Empire Plan or your HMO will be drastically reduced.

The New York State Department of Civil Service automatically reimburses you the Medicare Part B premium at age 65. However, if you become eligible for primary Medicare coverage before your 65th birthday, or your enrolled dependent becomes eligible for primary Medicare coverage before his/her 65th birthday due to disability, you must notify the New York State Department of Civil Service Employee Benefits Division in writing. Be sure to include a copy of the Medicare identification card along with your name and identification number on the photocopy.

**Retiring After Age 65**

If you are age 65 or over and retire, you need to contact the Social Security Administration Office three months prior to your retirement date to inform them that you are retiring, as Medicare will become your primary payor for health insurance. If your spouse/domestic partner is age 65 or turns 65 after your retirement, then he/she should contact the Social Security Administration and enroll in Medicare Parts A and B.

The Empire Plan automatically enrolls Medicare-primary enrollees and Medicare primary dependents in Empire Plan Medicare RX provided they are enrolled in Medicare Parts A and B. The Empire Plan RX (PDP) for Medicare primary enrollees and Medicare primary dependents combines Medicare Part D prescription drug benefits with supplemental prescription drug coverage. You will receive your own personal Empire Plan Medicare RX ID card with a unique identification number to be used only when purchasing prescription drugs. You will continue to use the blue Empire Plan benefit card for medical/surgical, hospital, and mental health and substance abuse services. If you are covering Non-Medicare primary enrollees and dependents, they will continue to be covered for prescription drugs under The Empire Plan Prescription Drug Program. Non-Medicare primary dependents will continue to use the blue Empire Plan benefit card for prescription drug benefits, as well as medical/surgical, hospital, and mental health and substance abuse. For more information concerning the Empire Medicare RX plan, call the Empire Plan, 1-877-7-NYSHIP (1-877-769-7447), and listen to the prompts for Empire Plan Medicare RX.

If you and/or your covered spouse/domestic partner are eligible for Medicare coverage due to age, the state will automatically reimburse you the usual cost of Medicare Part B coverage after you retire. Higher income beneficiaries will be reimbursed the usual cost of the Part B premium.

**The Empire Plan Medicare RX for Medicare and Medicare Part D Coverage**

The prescription drug coverage for Medicare primary enrollees and dependents under The Empire Plan includes a Medicare Part D prescription drug program that has been
expanded to provide a benefit level that is
generally as good as, or better than, the benefits
provided under The Empire Plan Flexible
Formulary. The combination of these benefits is
called Empire Plan Medicare RX.

You must enroll in Medicare Parts A and B
when you become eligible due to retirement
at age 65 or older or disability. Then you (and
your Medicare eligible dependents) should
be automatically enrolled in the Empire Plan
Medicare RX.

In the past, NYSHIP materials have indicated
retirees should not enroll in a Medicare Part D
plan. NYSHIP clarifies you should not enroll
in a Medicare Part D plan outside of NYSHIP.
NYSHIP Medicare Advantage HMOs have
included Medicare Part D coverage for many
years, and now the Empire Plan includes Part D
coverage as of January 1, 2013.

The Empire Plan Medicare RX is not a standard
Medicare Part D Plan. UnitedHealthcare has
worked with the state to customize this plan so
you do not have a coverage gap ("donut hole")
but you continue to pay your usual payments.

Note: The Department of Civil Service advises
that according to Medicare rules, you can be
enrolled in only one Medicare Part D plan at a
time. If you are currently in another Medicare
Part D plan or a Medicare Advantage Plan
which includes prescription drug coverage, your
enrollment in Empire Plan Medicare RX will
automatically end your other enrollment.

If you do not wish to remain in the Empire Plan
(includes the Empire Plan Medicare RX), you
will be able to change to a NYSHIP HMO. For
more information regarding your health plan
choices as a retiree and to carefully consider
your options, please contact the Department of
Civil Service at 800-833-4344.

Individuals with limited incomes may qualify
for Medicare’s “Low Income Subsidy” or “Extra
Help” program to help pay for their prescription
drug costs. For more information contact:

All Retirees, Regardless of Age

If you receive your retirement benefit from the
New York State Employees’ Retirement System
(NYSERS), your remaining premium, if any, will
be deducted from your retirement check, once
New York State completes the final calculation
of your retirement benefit. Until then, you will be
billed monthly by the New York State Department
of Civil Service for any premium due. If you are
receiving your retirement benefit from the Op-
tional Retirement Plan through TIAA-CREF, or
you are receiving your retirement benefit from the
Federal Retirement System, you will be billed on
a monthly basis from the New York State Depart-
ment of Civil Service Employee Benefits Division
for any premium due.

As a retiree, you are able to make changes to
your health insurance option at any time, but
only one change is allowed in a 12-month pe-
riod. You can make these and other health insur-
ance changes by contacting the New York State
Department of Civil Service Employee Benefits
Division. A waiting period may apply to certain
changes. To make any changes regarding your
health insurance coverage, call the New York
State Department of Civil Service Employee
Benefits Division at (800) 833-4344.

If you are receiving a retirement check from
NYSERS, the Medicare Part B premium refund
will be added to this check and will be reflected
as a Medicare credit on your retirement check
stub.

If you are making direct payments to the Em-
ployee Benefits Division, the reimbursement for
the Medicare Part B premium for you and your dependents enrolled in Medicare will be applied to reduce your monthly premium payments. Any excess will be refunded to you on a quarterly basis.

**Dental Insurance**

**Retiring Under Age 65**

Preferred Dental Insurance with Emblem Health (formerly GHI) terminates 28 days past the last day of the biweekly pay period in which you retire. You will receive a COBRA (Consolidated Omnibus Budget Reconciliation Act) continuation of coverage notice from the New York State Department of Civil Service Employee Benefits Division. Under COBRA you may continue the same dental coverage you had as an active employee on a month-to-month basis for up to 36 months. You will remit your payments for the coverage directly to the New York State Department of Civil Service Employee Benefits Division. If you are under 65 and continue dental insurance through COBRA, and you turn 65 before the 36-month continuation period is completed, your COBRA coverage will terminate when your Medicare benefits start. Once you are eligible for Medicare, you will only be able to continue dental benefits through the Emblem Health Retiree Dental Plan.

You will also receive a conversion notice from Emblem Health offering dental coverage with the Emblem Health Retiree Dental Plan. Be sure to review this information carefully as the level of benefits through this plan is not the same as the benefits through the Emblem Health Preferred Dental Plan. If you wish to enroll in the Emblem Health Retiree Dental Plan, you will need to complete the application and remit payments directly to Emblem Health.

If you elect to continue coverage under COBRA, and do so for the full 36-month period, you will again receive a Emblem Health Retiree Dental Plan application at the end of the 36-month period.

**Retiring Over Age 65**

If at the time of retirement, you are over the age of 65, you will be eligible to continue your dental insurance through COBRA for the full 36-month period.

**Flexible Spending Accounts**

If you retire and there is a balance left in your medical flexible spending account, you can continue to receive reimbursement of medical expenses incurred *prior* to your date of termination. Federal regulations permit you to continue to receive reimbursement of medical expenses incurred *after* your date of termination *only* if you continue to participate in Flexible Spending Accounts by making after-tax contributions during the remainder of the same calendar year of your retirement. You can continue your coverage by enrolling in COBRA administered by Aetna. Aetna will send you COBRA materials.

You can continue to remit dependent care expenses incurred during the plan year against any unused balance until the funds in your account are exhausted or the plan year ends, whichever comes first.

All claims must be received by the administrator within the time frame for claims submission for that year, which is April 30 following the calendar year of participation. Contact Benefit Services at (607) 255-3936 for additional information.

**Retirement Plans**

**New York State Employees’ Retirement System (NYSERS)**

You are eligible for a service retirement benefit from your NYSERS plan if you have reached age 55 and have five or more years of credited member service as a Tier 1, 2, 3, or 4 member, or if you have ten or more years of credited member service as a Tier 5 or Tier 6 member, and your contract college employment has terminated or you have retired. Other policies may be in effect for state-sponsored early retirement incentives. If you begin distributions from NYSERS and return to a contract college or state
position, there are limits to the amount you can earn. If you exceed the limits without approval, your retirement distributions will be affected.

**Requesting Benefit Distributions**

You can obtain an Application for Service Retirement Form from Benefit Services at Cornell University at 395 Pine Tree Road, the Retirement System’s office in Albany, from one of NYSERS’ information representatives at sites throughout New York State, or at their website: www.osc.state.ny.us/retire. Applications MUST be on file with the Comptroller at least 15 days, but not more than 90 days, before the date on which your retirement will occur. Any document mailed to the Retirement System by “Certified Mail-Return Receipt Requested” and received by the Retirement System will be deemed filed on the date of mailing. You cannot be paid the day you retire. Your last day on payroll must be the day before your retirement date.

**Benefit Formula**

NYSERS benefits are based upon your Final Average Salary (FAS) and Years of Service (YOS). *Final Average Salary for Tiers 1-5*: Best (highest) consecutive 36 months of salary averaged together. *Final Average Salary for Tier 6*: Best (highest) consecutive 60 months of salary averaged together. *Years of Service*: Full time equivalent years as a member of NYSERS.

*Benefit Formula with less than 20 years of service for all Tiers:*

- 1.66% * Final Average Salary * Years of Service = Pension paid at retirement (less any age reductions)

*Benefit Formula with 20 or more years of service for Tiers 1 and 2:*

- 2% * Final Average Salary * Years of Service = Pension paid at retirement (less any age reductions)

*For Tiers 1 and 2 only*: Benefit cannot exceed 75% of FAS (once your years of service reach 37 ½ years). *Benefit Enhancement (Article 19)* provides one month of additional service credit for each year of credited service, up to a maximum of 24 months for those eligible. This is a permanent benefit addition. Age reductions still apply. Years of Service Cap is lifted to 79%. Full benefits are available at age 55 for Tier I members with 20 years of credited service.

*Benefit Formula with 20 or more years of service for Tiers 3, 4, and 5:*

- 2% * Final Average Salary * Years of Service up to 30 years, plus
- 1.5% * Final Average Salary * Years of Service greater than 30 years =

Pension paid at retirement (less any age reductions)

For Tiers 2, 3, 4, and 5 only: Full benefits are available at age 62, with 20 years of credited service and reduced benefits are available for ages prior to 62, but at least age 55. Full benefits are available at age 63 for Tier 6. For Tiers 2, 3, and 4, retirees with less than 30 years of service will have their benefits reduced by 6% for each of the first 2 years prior to age 62, then reduced 3% for each year prior to age 60. Tier 5 and 6 members will have their benefits reduced by schedules that have increased reductions based on early retirement age. This reduction is prorated for partial years of service.

**Payment Options**

At retirement, you must decide how you want your retirement allowance paid. All of the options provide you with a monthly benefit payable for your lifetime. Many payment options are available to you. You should study these options thoroughly before finalizing your retirement plans. You will receive a list of options after you request an estimate from NYSERS or after you submit the retirement application to the Comptroller. A list of these options is also available from Benefit Services. These payment options include:

- Single Life Allowance
- Joint Allowance
- Periods Certain
• Pop Up Allowance

• Alternative Options

It will take several months before a final calculation of your benefit amount can be completed. You will receive a partial amount of your estimated benefit until the final calculation is complete and it will take two or three months before you will receive the partial check. Once the final calculation is completed, you will receive an arrears payment.

You can have your monthly benefit directly deposited into your account. It may take several months after the final calculation is completed before direct deposit is implemented.

Remember that payment options are varied and may need to be discussed with a professional who understands the complexities of income tax law. Distributions from NYSERS will be subject to Federal Income Tax. Distributions will NOT be subject to New York State Income Tax as long as you remain a New York State resident.

For more information, contact Benefit Services at (607) 255-3936 or the Retirement System in Albany at their Information Call Center at (866) 805-0990, or visit their website at www.osc.state.ny.us/retire.

Optional Retirement Program (ORP)
Under the SUNY ORP Program, you may take cash withdrawals if you are terminated from statutory service or are receiving benefits under the Cornell Long Term Disability program. Other policies may be in effect for state-sponsored early retirement incentives. If you begin distributions from ORP and return to a contract college position, there are limits to the amount you can earn. If you exceed the limits without approval, your retirement distributions will be affected.

You should contact your investment vendor to obtain and submit the proper Retirement Distribution forms.

**Life Insurance in Retirement**

Life insurance is available to contract college faculty and staff who are enrolled in ORP, are at least age 55, and have at least ten years of service with the university, provided you meet the requirements described below. This coverage is provided as part of your basic life insurance.

As a retiree, you can view your retiree life insurance value and enter your beneficiary information online on the CIGNA Trusted Advisor website: cornellretiree.cignatrustedadvisor.com. Once you have completed the online process for designating beneficiaries, it will be recognized as your most recent record. The Basic Life Insurance would be reduced by the amount of any death benefits payable under the New York State Survivor’s Benefit Program or the New York State Employees’ Retirement System.

**Basic Life Insurance**

**$3,000 Retiree Life Benefit**

If you were younger than age 50 on January 1, 1980, or if your coverage through the Group Life Insurance Plan began after January 1, 1980, and you have had at least ten years of service, you will receive a $3,000 life insurance policy, currently provided at no cost.

For contract college employees, the $3,000 amount will be reduced by the amount of any death benefits payable under the Survivors’ Benefit Program of the State of New York Department of Civil Service or the New York State Employees’ Retirement System.

Employees who retire from the university with a $3,000 benefit have the option to convert the difference between their Basic Life Insurance amount and $3,000.

**Decreasing Retiree Life Benefit**

If on January 1, 1980, you were age 50 or older, employed at Cornell, and continued to work here until your retirement, you will receive decreasing life insurance coverage after retirement. The amount of your life insurance coverage for the first year after your retirement date will be equal to your budgeted annual salary, rounded to the next highest thousand. On each January 1, coinciding with or immediately following the next four anniversaries of your retirement date, your insurance amount will be reduced by 20 percent of the original amount of retirement coverage, until it reaches 20 percent of the initial amount, or $3,000, whichever is greater. It is at this time (January 1) that you may convert the amount that you are losing through the 20 percent reduction. You have 31 days to do this without medical underwriting.

For example, if your salary at retirement is $30,000, your coverage will be reduced by $6,000 per year as follows:

<table>
<thead>
<tr>
<th>Retirement Year</th>
<th>Life Insurance Coverage</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>$30,000</td>
</tr>
<tr>
<td>2</td>
<td>$24,000</td>
</tr>
<tr>
<td>3</td>
<td>$18,000</td>
</tr>
<tr>
<td>4</td>
<td>$12,000</td>
</tr>
<tr>
<td>5 and after</td>
<td>$6,000</td>
</tr>
</tbody>
</table>

Employees who retire from the university with a Decreasing Life Benefit do not have the conversion option for the Basic Life Insurance during the first year of retirement. Under this benefit, employees have coverage in the amount of full salary or the first year of their retirement (basic life insurance coverage is half of the annual salary amount).

Employees interested in information about converting their Basic Life Insurance should contact NEBCO at (800) 423-1282.

Group Universal Life (GUL) Insurance
As a retiree, you may continue the full amount of your Group Universal Life Insurance coverage. This coverage may be maintained either by continuing to pay premiums directly to CIGNA Group Insurance or by having your premiums paid out of the Cash Accumulation Fund, if your balance is adequate. The cash value that is not being used to fund your insurance coverage can be withdrawn to supplement your retirement income.

You may also want to consider using the money in your Cash Accumulation Fund to “pre-fund” or prepay your retirement life insurance. When you retire, you can use all or some of the money in the fund to purchase a specified amount of paid-up insurance. By purchasing paid-up insurance, you will not need to make any additional payments to keep the policy in force.

If you choose to port any or all of your Group Universal Life (GUL) coverage, you can review this coverage and name beneficiaries by using the CIGNA Trusted Advisor website: cornellretiree.cignatrustedadvisor.com. Once you have completed the online process for designating beneficiaries, that will recognize your most recent record.

For more information regarding your options at retirement with your Group Universal Life Insurance plan, please call CIGNA Group Insurance at (800) 231-1193.
