HOW DO I OBTAIN A SUMMARY OF BENEFITS AND COVERAGE (SBC)?
The Summary of Benefits and Coverage (SBC) is a standardized comparison document that is required by the Patient Protection and Affordable Care Act (PPACA). All insurance plans are required to produce SBCs based on a uniform template.

The purpose of an SBC is to give people straightforward information about a health insurance plan’s benefits. It is meant to help consumers compare plans and make appropriate coverage decisions. There are also cost sharing examples to assist in your understanding of plan benefits. One example is for the delivery of a baby and a second on managing diabetes. https://hr.cornell.edu/benefits/health/end_sbc.html
Flexible Spending Account: Medical Care

- The medical care account is money that you set aside on a pre-tax basis for medical expenses not covered by health, dental and vision insurance for family members who are your tax dependents.
- The IRS does not recognize same-sex or domestic partners as tax dependents so changes to an FSA or enrollment in an FSA account do not apply.
- You have 60 days from the date your spouse or child gained health and/or dental coverage to stop or decrease the annual amount in an existing account (decrease in annual amount cannot be less than current year-to-date contribution amount).
- You may also enroll or increase the annual amount in an existing account if you are newly enrolling in health and/or dental coverage not provided through Cornell. The change that you make to the account must be consistent with the qualifying event.
- If you are not currently enrolled in the medical care account, the effective date is the date health and/or dental coverage was gained; if you are making changes to an existing account, the original effective date will remain in effect.
- You must supply proof from your spouse’s employer (on employer letterhead) verifying the gain of health and/or dental coverage.
- If the enrollment will occur between October and December, please contact Benefit Services at (607) 255-3936 or via email at benefits@cornell.edu for advice on how to proceed with enrollment or the change to the account.

General Plan Information

- The maximum annual amount that you can set aside on a pre-tax basis is $2,550.
- You must enroll each year; enrollment does not continue from year to year.
- This is a use-it-or-lose–it account – this means that if you do not use the money in your account during the plan year that you lose it.
- Additional information and plan booklet can be found at: https://hr.cornell.edu/benefits/fsa.html
